Resolution on Manipur

Adopted at the National Meeting of All India Muslim Majlis-e-Mushawarat

The joint meeting of the national executive and the general body of All India Muslim Majlis-e-Mushawarat express deep concern over the ongoing civil strife in Manipur for more than last sixteen months resulting in significant loss of innocent lives and property and also the continuous attack on the dignity of the women.

AIMMM is of the firm opinion that the state government led by BJP CM Mr. N. Biren Sungh had totally failed in discharging its constitutional responsibilities and it had, unfortunately, played an active role in flaring of the conflict between the dominant group of Meitei's from which the CM comes and the Kuki-Zo tribal community.

AIMMM had also noted that sadly the office of the governor of the state has too failed in discharging its constitutional obligation of recommending the dismissal of the Biren Singh government because of its utter failure in containing violence and bringing peace in the state.

Therefore, AIMMM condemn the inaction of both the state and union governments of BJP in addressing this grave crisis in the state and urge immediate intervention from union government for restoring peace, and directing state government to ensure justice for the victims of both communities apart from providing necessary aid to affected victims of both the communities.

Mushawarat also calls for accountability and effective measures to prevent further violence and uphold the rule of law in the state.
